

Core Track Descriptions (Must register for only 1)

MissionsScope- This is a broad-spectrum overview of key topics for effective missions. A variety of fundamental, intensive, Biblically-based topics will be covered. This track will be facilitated by experienced field missionaries and is designed to help the participants both apply and equip others in these topics.

MissionScope (Español)- Este es un amplio espectro de temas clave, para llevar a cabo misiones efectivas. Se cubrirá una variedad de temas fundamentales, intensivos; y, bíblicos. Esta vía será facilitada por misioneros de campo con experiencia; y, está diseñada para ayudar a los participantes tanto en aplicar como en equipar a otros en estos temas.

Missions Intensive- designed to equip pastors and church leaders to cultivate a whole life discipleship culture that leads to the healthy sending of disciples who are making disciples cross culturally in fulfillment of Christ's commission. Our time together will be filled with theologically rich and practical sessions coupled with church team assessment activities that will lead to tangible action items when you return home.

Orality- provides an overview on oral strategies and some specific tools to aid the development of Biblical oral strategies for church planting and discipleship. Some previous experience or exposure to Bible Storying suggested.

Advanced Track (trainers)- for churches who are currently implementing or are a part of a church planting engagement plan. It will provide an opportunity for churches to share their plans and experiences working together to overcome challenges. Experienced missionaries will facilitate conversation and coach you through biblical processes for multiplying disciples and churches with a focus on training others. Previous Missions College attendance and current engagement required.

Mercy Ministries- In this session we will look at ways to strategically implement human needs ministries into an overall comprehensive church planting strategy. Utilizing case studies to evaluate methods, ensuring that best missiological practices are being used.

Security Training (B+)- Is a great opportunity for some excellent security training from highly qualified Christian professionals. This is very useful training no matter what part of the world you are traveling. Level B+ is designed for team leaders. PLEASE NOTE: If you select this track there will be additional cost. With registration fee plus this track you will be charged a total of \$349 at checkout. Training will be led by Fort Sherman Academy, leaders in personal security and risk management.
